

Corrections to February 2016 Newsletter

The most recent issue of the newsletter stated that the property involved in the Azordegan lawsuit is located between Gates 6 and 7. The property is located between Gates 6 and 5. The article also stated that the property had six votes by the original deed. Voting rights are not controlled by deed; they are controlled by the covenants, which provide one for one vote per lot.

The article that appeared in the newsletter was based on the legal complaint, the original 1973 deed, the January 2016 Final Agreed Order and Judgment (all filed with Madison County), minutes of the Board of Directors of the Lake Lorman Corporation, and the official statement Board President Clint Brantley asked Attorney Steve Smith to give to the Lake Lorman Community Newsletter for publication.
